About The College

Embraced by lush greenery and scenic beauty, Akui Kamalabala Women's College is a treasured place for aspiring female students to leave their imprints towards success. Akui Kamalabala Women's College is a newly established undergraduate women's college. The institution is located at Akui, Indas in the district of Bankura West Bengal and is affiliated to Bankura University. The college has completed 7 years of existence in 2023. Since its beginning the institution has been catering to the needs of the stakeholders, locality and providing quality education to female students with pride and success. From the very beginning the college has been trying to education to improve the education and pave the empowerment in such most of the families are behind. The college has to provide quality proper guidance to female foster gender equity in the greater welfare of society. Within its limited infrastructure, the college is striving to provide education with qualified teachers and dedicated staff who are rendering their service with their utmost abilities in order to achieve its objective of upholding the institution as an example in the locality. Our institution has been carefully designed to accommodate the needs of the female students. Libraries are moderately equipped with books. Our smart classroom is well ventilated, spacious, and equipped with modern teaching learning tools for imparting experiential learning to the students. We are obliged to equip our students with all the necessary skill sets in terms of subject knowledge, interpersonal skills, communication, and leadership skills to get placed in various sectors of society. The faculty members are helping students with their subject competency, communication skills along with career guidance and counselling. We welcome all aspirant female students to create an incredible legacy in the field of women education.

• T o **Vision of the College**

inculcate a sense of confidence and dedication in the female students for better understanding their position vis-a vis the society at large and thereby enhance academic excellence.

- To boost up the interest and curiosity in the minds of the students not only in their subjects but also general awareness.
- To alter their outlook regarding the necessity of higher education and bright career in future.
- Encourage them to develop interest in vocational skills so that they can establish themselves as economically independent individuals in the society.
- To create worthy citizens who can prove themselves to provide better service to society at large
- Inculcate positivity among learners through value-based education to create better human beings for future

Mission of the College

- To synergize the energy and creative potentials of the stakeholders and member of Governing Body to improve the infrastructure of the institution, enhance the intake capacity, incorporate more disciplines for the benefit of the students and encourage a creative ambience for students and faculty members
- To encourage extracurricular activities in order to foster tolerance, moral and ethical behaviour and all-round development of the students.
- Enhance ICT teaching-learning process.
- To preserve and promote the knowledge of Indian language and culture.
- To enhance career counselling programmes to guide the students towards better career and future.

MESSAGE FROM THE PRINCIPAL

Established in 2016, Akui Kamalabala Women's College is a degree college affiliated to Bankura University catering to the educational needs of the female students of Akui and its peripheral areas. It gives me immense pleasure to be a part of this women's college in a remote area in Bankura District where there is scarcity of educational opportunities for women. Despite being a new college, we are pleased with the progress the college has made in these past few years. We relentlessly try to inculcate in our female students' value-based education synergized with modern ICT enabled teaching-learning methods to produce well informed and emotionally sound generations for the future. We also aim to equip our students with the socio-economic challenges of the society that they may face as women to make them strong for their future struggles. Our competent team of teachers strive to focus on the needs of each and every student and monitor and mentor them at every step, appreciate their achievements and guide them to overcome their shortcomings. I am pleased to say that the administrative and the academic departments of our college work symbiotically to create a healthy environment in the college by maintaining good peer-interactions, student – faculty relationships and intra-faculty relationships. We also ensure that a clean and green ambience is created by pledging our commitment to the environment. My message for the students of this college is based on a quote of Dalai Lama: "With the realization of one's own potential and self-confidence in one's ability, one can build a better world."–Dalai Lama. I sincerely believe that each female student must strive hard to play her part to create a better society in future which will thrive on the principles of honesty, equality and perseverance.

With warm regards-

Dr Pitambar Paul

Programme Offerings

For the academic year 2024-25, we are pleased to offer Bachelor of Arts four years Honours degree with research according to NEP-2020 in the following disciplines:

Bengali: Explore the rich heritage and vibrant culture of Bengal through our BA in Bengali program. This course offers in-depth study of Bengali literature, language, and historical significance, providing a profound understanding of regional and cultural identity.

English: Dive into the world of literature, language, and critical thinking. Our BA in English program is designed to enhance your understanding of literary texts, improve your communication skills, and foster analytical thinking.

Philosophy: Engage with the profound questions of existence, ethics, and knowledge. The BA in Philosophy program encourages students to think critically, reason logically, and develop a well-rounded philosophical outlook on life.

History: Uncover the past to better understand the present and future. Our BA in History program provides a comprehensive study of historical events, movements, and figures, equipping students with the skills to analyze and interpret historical data.

Sanskrit: Embark on a journey through ancient texts and traditional wisdom with our BA in Sanskrit program. This course offers a robust understanding of classical Sanskrit literature, linguistics, and cultural studies.

Political Science: Examine the complexities of political systems, governance, and public policies. The BA in Political Science program prepares students to critically evaluate political theories, institutions, and practices, fostering informed and engaged citizens.
